Semester and year change(s) take effect: \_\_\_\_\_ Fall 2020

Appropriate computer abbreviation if course title is more than 30 spaces: \_\_\_\_\_

Briefly summarize the change requested:

We wish to adjust our program/degree requirements for the BS in Criminal Justice based on a series of requests for changes that have been submitted to this committee. We wish to change the titles of some courses, reduce the number of credit hours for one course, and replace others. The reduction of credit hours for the one course would reduce the number of hours needed for a BSCJ from 45 to 43. Separate paperwork was submitted for the changes to the minor.

Request for Changes

Page 2

1. What is the justification for the change(s) requested?

Our department has discontinued cross-listing courses with the Department of Sociology, and they wanted to keep the original courses that we cross-listed. We created alternatives, as noted in the paperwork we've submitted. We also changed titles in some cases to better reflect the content of the courses, reduced the number of credit hours for a course that offered some redundancy, and added new courses as options for students to meet the degree requirements.

2. If applicable, explain how the change(s) will affect the current program outcomes and

assessment mechanisms.

3. **Faculty Resources:** How will the unit provide faculty support for this change and any other impact this change may have on other current departmental listings.

These changes will have no impact on the need for faculty resources. Instead, it will enable us to rely less on outside sources to teach classes, as the new 1-hour course will be taught by a full-time faculty member.

4. **Educational Resources:** Will this change require additional resources not currently available (e.g. space, equipment, library, other)? ☐ YES  
If yes, list additional resources needed. ☒ NO

5. If this change affects other units of the University, include a statement signed by the chairperson(s) of the affected unit(s).

6. If cross-listed, provide evidence of approval by all curriculum committees appropriate to both the originating and cross-listed units.
