Note that for BIOL 40001, BIOL 50910, PHIL 10433 and SOCI 30223 only some topics count toward the minor.

Note that for BIOL 40001, BIOL 50910, PHIL 10433 and SOCI 30223 only some topics count toward the minor.

1. **What is the justification for the change(s) requested?**  
Several new/recently approved courses (underlined) are appropriate for this minor. We are proposing to add these as electives.
  
2. **If applicable, explain how the change(s) will affect the current program outcomes and assessment mechanisms.**  
The proposed courses fit within the current scope of the minor.
  
3. **Faculty Resources:** How will the unit provide faculty support for this change and any other impact this change may have on other current departmental listings.  
These courses are already being taught/planned. Adding these courses to the minor will not impact current listings.
  
4. **Educational Resources:** Will this change require additional resources not currently available (e.g. space, equipment, library, other)?  YES  
If yes, list additional resources needed.  NO
  
5. **If this change affects other units of the University, include a statement signed by the chairperson(s) of the affected unit(s).**  
The proposed additions are all classes taught by Pre-Health faculty.
  
6. **If cross-listed, provide evidence of approval by all curriculum committees appropriate to both the originating and cross-listed units.**  
NA

Re: Changes to Cultural Awareness in Health & Healthcare Minor

I support the use of SCIE courses as electives in this minor.

A handwritten signature in black ink that reads "J. R. Rinewalt". The signature is fluid and cursive.

J. Richard Rinewalt, PhD  
Associate Dean for Undergraduate Studies
