## Child Development Minor

### Requirements

The child development minor is a multidisciplinary program drawing upon the strengths of several colleges and disciplines.

Students wishing to earn the child development minor are required to take 18 hours of coursework. Courses must be selected from at least three different departments and may include the department of the student's major. No more than six hours may be taken from one department, and no more than three hours may be taken from Independent Studies and Special Topics courses combined. Case Studies in Child Development will be the only required course for students in the minor. Its interdisciplinary focus is designed to give students in the minor comprehensive insight into the issues of child development. Faculty are available within each of the departments to monitor availability and suitability of Special Topics courses and other special opportunities. Advising is available within the Child Development Program.

The program of study requires 18 semester hours:

#### Required Course (3 hours)
