Request for Changes

- What is the justification for the change(s) requested?

Revisions in the Interior Design curriculum make the requirement for an additional course in this minor moot.

Adding the two ARLD courses increases the breadth of design opportunities for students pursuing this minor.

The two THEA courses are essentially the same requirements, but have subsequently been re-named by the Theatre Department.
- If applicable, explain how the change(s) will affect the current program outcomes and assessment mechanisms.

Current program outcomes and assessment mechanisms will be unchanged.

3. **Faculty Resources:** How will the unit provide faculty support for this change and any other impact this change may have on other current departmental listings.

The revision includes existing classes arranged in different administrative groupings. We do not anticipate the need for additional faculty or class sections. All required courses will be taught by existing faculty.

4. **Educational Resources:** Will this change require additional resources not currently available (e.g. space, equipment, library, other)?  YES  
If yes, list additional resources needed.  NO

5. If this change affects other units of the University, include a statement signed by the chairperson(s) of the affected unit(s).

NA

6. If cross-listed, provide evidence of approval by all curriculum committees appropriate to both the originating and cross-listed units.

NA
