1. What is the justification for the change(s) requested?

The hours were reduced to 100 to align with the new university policy that allows a BS at 100 hours. The PHYS requirement was added to help students meet requirements that are pertinent to the degree.

2. If applicable, explain how the change(s) will affect the current program outcomes and assessment mechanisms.

NA

3. **Faculty Resources:** How will the unit provide faculty support for this change and any other impact this change may have on other current departmental listings.

NA

4. **Educational Resources:** Will this change require additional resources not currently available (e.g. space, equipment, library, other)? ☐ YES  
If yes, list additional resources needed. ☒ NO

5. If this change affects other units of the University, include a statement signed by the chairperson(s) of the affected unit(s).

See attached email chain for support from the Physics department

6. If cross-listed, provide evidence of approval by all curriculum committees appropriate to both the originating and cross-listed units.
