Multidisciplinary Design Concentration: Choose four courses from the following upper-division electives:

1. What is the justification for the change(s) requested?

Our accrediting organization, the National Association of Schools of Art & Design (NASAD) requires the additional Design/Art history component. Without adding credit hours to the major, we are deleting onerequirement for an upper-division studio elective in each concentration: Archirectural Lighting Design (ARLD), Graphic Design and Multidisciplinary Design. This also brings the degree program into a more preferred balance between history and studio courses for NASAD.

2. If applicable, explain how the change(s) will affect the current program outcomes and assessment mechanisms.

Current program outcomes and assessment mechanisms will be unchanged.

3. **Faculty Resources:** How will the unit provide faculty support for this change and any other impact this change may have on other current departmental listings.

The revision includes existing classes arranged in different groupings. We do not anticipate the need for additional faculty or class sections. All required courses will be taught by existing faculty.

4. **Educational Resources:** Will this change require additional resources not currently available (e.g. space, equipment, library, other)? ☐ YES
If yes, list additional resources needed. ☒ NO
