1. What is the justification for the change(s) requested?

The addition of THEA 11023 Diverse Voices in Theatre to THAC-BFA degree requirements is necessary to provide students with a course that has both DEI and CRES attributes. Changes made to other requirement categories are in an effort to accommodate the addition of Diverse Voices. The reduction of 1 hour in required Production Courses allows room for student choice in coursework. Students will still receive broad exposure to different production areas through THEA 30901 Theatre Production assignments as intended. The degree plan is reduced by one credit hour

2. If applicable, explain how the change(s) will affect the current program outcomes and assessment mechanisms.

Changes align with current program outcomes and assessment mechanisms.

3. **Faculty Resources:** How will the unit provide faculty support for this change and any other impact this change may have on other current departmental listings.

The additional course, THEA 11023 Diverse Voices in Theatre, is taught by a current Theatre faculty member and seats will be available for those required to take it. There is no other change that will impact faculty support.

4. **Educational Resources:** Will this change require additional resources not currently available (e.g. space, equipment, library, other)? ☐ YES  
If yes, list additional resources needed. ☒ NO

5. If this change affects other units of the University, include a statement signed by the chairperson(s) of the affected unit(s).
6. If cross-listed, provide evidence of approval by all curriculum committees appropriate to both the originating and cross-listed units.

  
Approval signature of chairperson of originating unit
