1. What is the justification for the change(s) requested?

The Allied Health Sciences degree allows for an emphasis in majors in the college. The DHHS major is now included. It also allows students who start in DHHS but decide they are not interested in teaching (which the DHHS leads to) to continue, earn a degree that includes this emphasis.

2. If applicable, explain how the change(s) will affect the current program outcomes and assessment mechanisms.

NA

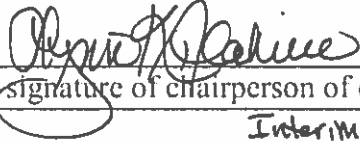

3. **Faculty Resources:** How will the unit provide faculty support for this change and any other impact this change may have on other current departmental listings.

NA

4. **Educational Resources:** Will this change require additional resources not currently available (e.g. space, equipment, library, other)? YES
If yes, list additional resources needed. NO

NA

5. If this change affects other units of the University, include a statement signed by the chairperson(s) of the affected unit(s).
6. If cross-listed, provide evidence of approval by all curriculum committees appropriate to both the originating and cross-listed units.

Approval signature of chairperson of originating unit
Interim Assoc Dean
