1. What is the justification for the change(s) requested?

COSD 30203 was developed for non-majors and thus it is appropriate for students to take either (but not both) of the language development courses.

Allowing students to retake any course could prove beneficial if they want to pursue a post graduate degree.

2. If applicable, explain how the change(s) will affect the current program outcomes and assessment mechanisms.

NA

3. **Faculty Resources:** How will the unit provide faculty support for this change and any other impact this change may have on other current departmental listings.

NA

4. **Educational Resources:** Will this change require additional resources not currently available (e.g. space, equipment, library, other)? YES
If yes, list additional resources needed. NO

NA

5. If this change affects other units of the University, include a statement signed by the chairperson(s) of the affected unit(s). *see attached*
6. If cross-listed, provide evidence of approval by all curriculum committees appropriate to both the originating and cross-listed units.

Approval signature of chairperson of originating unit
