1. What is the justification for the change(s) requested?

All majors need to be included for a C- in major coursework not just two of the majors as stated presently. 2) The GPA requirements for PEAL/PESC/BSAT majors need to match the college of education accreditation requirements for teaching and the athletic training accreditation requirements. This change is aligning these majors with accreditation standards.

These changes won't impact the current program outcomes or assessment mechanisms.
