TCU Global – Request for Change (Fall 2023)

Proposed Changes to Catalog:

Page 41: TCU Global – At the end of the section pasted below (just before Washington Center) add:

Student Conduct and Academic Issues: *TCU Global serves as an academic unit for purposes of administering Study Abroad and Study Away programs, as well as courses assigned INTL designation. For academic issues related to INTL courses, semester study abroad and study away programs administered through TCU Global, the Chair of the TCU Global Academic and Curricular Advisory Committee serves as the Department Chair and the Vice Provost serves as the Dean. The Chair of the TCU Global Academic and Curricular Advisory Committee will coordinate with the academic dean of the student's major. For conduct issues, the Senior International Officer will coordinate with the Dean of Students and the academic dean of the student's major to ensure consistency with TCU policies and processes.*

1. Justification for the change(s) requested?

TCU Global offers five courses under the INTL prefix (30301, 30302, 30203, 30341, 30342). These courses were previously administered under the academic unit “University Programs.” This unit no longer exists and the courses were temporarily moved under the School for Interdisciplinary Studies which has also been dissolved. The TCU Global Academic and Curricular Advisory Committee serves as the curriculum committee for TCU Global, and includes faculty representation from each college. The proposed catalog change is to identify the academic structure for course administration in which the Chair of the TCU Global Academic and Curricular Advisory Committee serves as the department chair and the Vice Provost serves as the Dean for all academic purposes normally filled by the Department Chair/College Dean.
