Hey Sharon:

How are you? I'm writing as the Director of the DCDA program. With your permission, we'd like to include WRIT 20333 (Language, Tech, and Society) as an option for DCDA majors to satisfy the "Intro" requirement. The course would listed with these approved courses:

ENGL 20813 (Intro to DH)

WRIT 20303 (Writing Games)

WRIT 20323 (Intro to Multimedia Authoring)

Texas Christian University - Digital Culture and Data Analytics Major BS

Requirements<<https://tcu.smartcatalogiq.com/en/current/undergraduate-catalog/addran-college-of-liberal-arts/interdisciplinary-minor-in-digital-culture-and-data-analytics/digital-culture-and-data-analytics-major-bs-requirements/>>

DCDA majors and minors can already count WRIT 20333 towards the elective requirement, so all we'd like to do is add the course to the list of options for the major's "Intro" requirement. The course would still be available as an elective for students who satisfy that requirement with another course.

I believe an email response from you is all I need to add to the paperwork I'll submit requesting the change. If you have any questions or concerns, please let me know.

And thanks for the ENGL department's continued (and vital) support of the DCDA program.

Curt
